

OCCUPATIONAL THERAPISTS

WE'RE HERE TO HELP YOU INTERCONNECT

Join the Association for Training on Trauma and Attachment in Children (ATTACH) for the 2024 Conference, **ATTACHMENT HEALS**, in Denver, CO September 12-14

Our Sensorimotor/OT Track built specifically for occupational therapists provides:

FULL DAYS OF WORKSHOPS FOR OTS

Featuring Sensorimotor/OT topics to equip Occupational Therapists with the most knowledge and resources needed to provide critical, effective services, hope, and healing to your clients

UNIQUE WORKSHOPS FOR OTS

Professional trainings instructed by global trauma and attachment experts in the field of Occupational Therapy

AWESOME OPPORTUNITY TO CONNECT

Enrich your professional contacts by meeting professionals from diverse fields including mental health, education, social work, and child welfare. Exchange ideas, share experiences, and build relationships.

SUBMIT A PROPOSAL TO PRESENT

Share your knowledge, experiences, and innovative practices by submitting proposals to present during the conference. Whether you have a success story, best practices, or research findings to share, your contribution can make a real difference. Scan the QR code for submission guidelines and proposal form. The deadline for proposal submissions is January 26, 2024.
