## Partner with ATTACH to Help Families Heal Children!

### Who We Are:

ATTACH is a non-profit organization working to support and educate families and professional caregivers of children who have experienced trauma. Our mission is to **promote healthy attachments** for these children.

### Why ATTACH Is Reaching Out to You:

As a non-profit organization, we rely on donations from individuals, businesses, and other organizations to support the work we do. We invite you, a business leader in your community, to join us as we continue our mission to promote healthy attachment and its critical importance to human development.

For 35 years, ATTACH has been bringing together leaders within the trauma and attachment community, professionals working in the field of attachment, and family members who live with and love children affected by these issues. This fall marks our **36th annual conference**, which will be held **September 12-14, 2024, in Aurora, CO**.

### Here are 2 ways you can help:

1. Our annual conference includes a silent auction to raise funds so we can serve more families. 100% of the funds raised in our silent auctions cover registration costs for parents and caregivers to attend the following year's conference. **Will you consider supporting our event and ATTACH mission by donating an item or basket for our 36th annual conference silent auction?** All donations are tax deductible.

Items can be almost anything: suggestions are gift cards, "theme" gift baskets, sports memorabilia, artwork, or a vacation getaway! To move forward, you can fill out the attached donation form, which includes our address and all other important information that you need to know. Fill out Donation form at: <http://tinyurl.com/5ewjhyy5> or scan QR code at bottom of page

2. Donate money directly to ATTACH. This can be a single donation or recurring. Visit [www.attach.org](http://www.attach.org) to learn more about us and click on the "donate" button to get started.

Please reach out to us at info@attach.org if you have any questions or need more information. Thank you for your support!

Sincerely,
